LETTERS OF THE MONTH

✂ I think I'm in love with Taylor Redford. Her pictorial in the most recent issue of *Lingerie* was spectacular. I especially loved how the photos emphasized her amazing ass. Let's see much more of her! ...D.D.

✂ Megan Voss is a sight to behold. I would like to see her have more coverage, or rather, more exposure in other Special Editions or in an online pictorial. Thanks. ...C.P.

✂ The Feb/March *Voluptuous Vixens* was fantastic! I thoroughly enjoyed each of shapely ladies featured, but by far Krystal Lorrie was my favorite. Posed provocatively in a shimmering pool of blue – Krystal's ample assets, superlative curves and nude beauty were positively glorious! ...Jimmy

✂ I normally go for curvaceous girls, but cute coed Laura Lynn from *College Girls* was super sexy. She has amazing abs, a tight little butt and her smile just lights up the page. More of her, please! ...Paul
